**NOTES**

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular nos. 14/2020, 17/2020, 20/2020, and 2/2022 dated April 8, 2020, April 13, 2020, May 5, 2020 and May 5, 2022 respectively, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by Covid-19", circular no. 20/2020 dated May 5, 2020 in relation to "Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)" and Circular no. 02/2021 dated January 13, 2021 in relation to "Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)" (collectively referred to as "MCA Circulars") and Securities and Exchange Board of India ("SEBI") vide its circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 12, 2020 and May 13, 2022 in relation to "Additional relaxation in relation to compliance with certain provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 – Covid-19 pandemic" and circular no. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 in relation to "Relaxation from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 due to the COVID -19 pandemic" (collectively referred to as "SEBI Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the MCA Circulars and SEBI Circulars, the AGM of the members of the Company is being held through VC / OAVM. The Registered Office of the Company shall be deemed to be the venue for the AGM.
2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") setting out material facts concerning the businesses under Item No. 4 of the Notice, is annexed thereto.
3. The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking re-appointment at this AGM are also annexed to this Notice.
4. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and route map of the AGM are not annexed to this Notice.
5. Institutional / Corporate shareholders (i.e. other than individuals, HUF, NRI, etc.) are required to send a scanned copy (PDF / JPG Format) of their respective Board or governing body Resolution / Authorization etc., authorizing their representative to attend the AGM through VC / OAVM on their behalf and to vote through remote e-Voting. The said Resolution / Authorization shall be sent to the Scrutinizer by e-mail on its registered e-mail address to [contact@samratpharmachem.in](mailto:contact@samratpharmachem.in) with a copy marked to [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in).
6. The Register of Members and Share Transfer Books will remain closed for a period of 8 days from Friday, September 23, 2022 to Friday, September 30, 2022 (both days inclusive) for the purpose of AGM and payment of dividend.

Demat	Members holding shares in dematerialised mode are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service ("NECS"), Electronic Clearing Service ("ECS"), mandates, nominations, power of attorney, change of address/name, e-mail address, contact numbers, etc. to their Depository Participant ("DP") only, and not to the Company's RTA.	
	Changes intimated to the Depository Participant will then be automatically reflected in the Company's records which will help the Company and its RTA to provide efficient and better services to the Members.	

8. Members may note that the Board of Directors of the Company, at its meeting held on May 30, 2022, has recommended a final dividend of ₹ 1.00 (Rupee One only) per equity share of Rs. 10/- each for the Financial Year 2021-22. The date of Book Closure for the purpose of dividend as mentioned above is from Friday, September 23, 2022 to Friday, September 30, 2022 (both days inclusive). The dividends, once approved by the Members at the ensuing AGM, will be paid within 30 days from the date of their declaration, electronically through various online transfer modes to those Members who have updated their bank account details. For Members who have not updated their bank account details, dividend warrants / demand drafts / cheques will be sent out to their registered addresses. To avoid delay in receiving dividend, Members are requested to update their KYC with their depositories (where shares are held in dematerialised mode) and with the Company's RTA (where shares are held in physical mode) to receive dividend directly into their bank account on the payout date.
9. Members may note that the Income Tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 1, 2020 shall be taxable in the hands of Members. The Company shall therefore be required to deduct Tax at Source ("TDS") at the time of making the payment of dividends as mentioned above.

In order to enable the Company to determine the appropriate TDS rate as applicable, Members are requested to submit relevant documents, as specified in the below paragraphs, in accordance with the provisions of the IT Act.

For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows:

Members having valid Permanent Account Number ("PAN")	10% or as notified by the Government of India
Members not having PAN / valid PAN (Section 206AA of the IT Act)	20% or as notified by the Government of India
Members not filing Income Tax return for preceding one year and whose TDS/TCS credit is more than ₹ 50,000 (Section 206AB of the IT Act)	20% or as notified by the Government of India

However, no tax shall be deducted on the dividends payable to a resident individual if the total dividend to be received by them during fiscal 2022 does not exceed ₹ 5,000 and also in cases where Members provide Form 15G / Form 15H (Form 15H is applicable to individuals aged sixty (60) years or more) subject to conditions specified in the IT Act. PAN is mandatory for Members providing Form 15G / 15H or any other document as mentioned above.

Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower / nil withholding tax.

For non-resident shareholders (including Foreign Institutional Investors / Foreign Portfolio Investors), Taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividends payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA"), read with Multilateral Instrument ("MLI") between India and the country of tax residence of the Member, if they are more beneficial to them. For this purpose, i.e., to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- Self-attested copy of the PAN card allotted by the Indian Income Tax Authorities duly attested by the Member or in case PAN is not available, details as prescribed under Rule 37BC of Income-tax Rules, 1962
- Self-attested copy of Tax Residency Certificate for fiscal 2022 obtained from the revenue authorities of the country of tax residence, duly attested by Member
- Self-declaration in Form 10F
- Self-declaration by the Member that (i) does not have a permanent establishment in India under the applicable Tax Treaty, (ii) is the beneficial owner of the dividends, (iii) complies with any other condition prescribed in the relevant Tax Treaty and provisions under the Multilateral Instrument ('MLI') (iv) will not have a place of effective management in India.
- FPI shareholders shall, in addition to above documents, also provide SEBI Registration Certificate as FII / FPI
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by the Member.

Please note that application of the beneficial rate of tax treaty for TDS is at the discretion of the company and shall depend upon the completeness and satisfactory review of the same by the Company.

Accordingly, the aforementioned documents are required to be uploaded on the shareholder portal at <https://web.linkintime.co.in/formsreg/submission-of-form-15g-15h.html> on or before September 23, 2022.

No communication would be entertained from Members after September 23, 2022 regarding tax withholding matters.

It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details/documents from a Member, there would still be an option available with the Member to file the return of income and claim an appropriate refund, if eligible.

The Company shall arrange to e-mail the soft copy of TDS certificate to Members at their registered e-mail ID in accordance with the provisions of the Income Tax Act 1961 after filing of the quarterly TDS Returns of the Company, post payment of the said Dividend.

In terms of the provisions of Section 124 and other applicable provisions of the Act, the amount of dividend not encashed or claimed within seven (7) years from the date of its transfer to the unpaid dividend account, will be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government.

10. To support the 'Green Initiative', members who have not registered their e-mail addresses are requested to register the same with our RTA M/s. Link Intime India Pvt. Ltd. / Depositories.
11. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition and relodged transfers of securities. Further, SEBI vide its circular no. SEBI/HO/MIRSD/RTAMB/CIR/P/2020/236 dated December 2, 2020 had fixed March 31, 2021 as the cut-off date for re-lodgement of transfer deeds and the shares that are re-lodged for transfer shall be issued only in demat mode. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrar and Transfer Agent, M/s. Link Intime India Pvt. Ltd. for assistance in this regard.
12. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA M/s. Link Intime India Pvt. Ltd., the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.
13. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.
14. Members seeking any information with regard to the financial statements or any matter to be placed at the AGM, are requested to write to the Company on or before September 23, 2022 through e-mail on [contact@samratpharmachem.in](mailto:contact@samratpharmachem.in). The queries will be replied by the Company suitably.
15. Members holding shares in physical form are requested to intimate the Registrar and Transfer Agent ("RTA") of the Company viz., Link Intime India Private Limited, C101, 247 Park, LBS Marg, Vikhroli (West), Mumbai 400 083 immediately of any change in their name, registered address along with pin code number, email address, telephone / mobile number, Permanent Account Number ("PAN"), mandates, nominations, power of attorneys, bank details such as name of the bank and branch details, bank account number, MICR code, IFSC code, etc. and relevant evidences.

Members holding shares in electronic form shall update such details with their respective Depository Participant ("DP").

16. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
17. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
18. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by NSDL.
19. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the Members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the Members from the date of circulation of this Notice up to the date of AGM, i.e. September 30, 2022. Members seeking to inspect such documents can send an email to [contact@samratpharmachem.in](mailto:contact@samratpharmachem.in)
20. ## **MANAGEMENT DISCUSSION AND ANALYSIS**

### **INDUSTRY STRUCTURE AND DEVELOPMENTS**

Your Company is a producer of pharmaceutical chemicals. The intermediates produced are used in pharmaceutical and chemical industries. Your Company is amongst the manufacturers who produce for local and international needs of the pharmaceuticals and chemicals industry. The pharmaceutical and chemical industry is growing at a rapid pace every year. This results into growth of the support or intermediate industry like us.

### **OPPORTUNITIES AND THREATS**

The company looks forward optimistically for all round growth in turnover & profitability in the ensuing years. Your company has taken effective steps to realize the dream performance in the years to come. The company intends to double its turnover in a short period of time. The company has taken effective measures to improve quality of products and its productivity to outwit competitor from domestic and international market.

The company has registered good sales growth & earned reasonable profit during the current financial year. The company has plans to widen the product range by increasing the basket of products thereby enlarging the customer and sales base.

### **PRODUCT PERFORMANCE**

The company has two plants producing varied items. The basic purpose of producing in two different plants is to improve efficiency and manageability. Your Company shall achieve sustainable growth in both plants by modernization and automation of operations. According to your Directors, these plants facilitate better division of labour, enable us to develop expertise in each plant and their respective items, and hence improve productivity and profitability of the Company.

### **BUSINESS OUTLOOK**

The Indian chemicals industry will outpace its Chinese counterpart and double its share of the global market to ~6% by 2026 from 3-4% in fiscal 2022. This will drive a strong revenue growth of 18-20% this fiscal and 14-15% in the next fiscal, compared to single-digit growth reported in the previous two fiscals. The Indian pharmaceutical market is expected to grow at 8-11% CAGR to US\$29-33 Billion by 2025.

### **RISKS AND CONCERNS**

#### **Currency Risk :**

Volatility in currency exchange movements results in transaction and translation exposure. Our functional currency is the Indian Rupee. Appreciation of the Rupee against any major currency could impact the reported revenue in Rupee terms, the profitability and also result in collection losses.

Following a currency hedging policy that is aligned with market best practices, to limit impact of exchange volatility on receivables and payables, forecasted revenue and other current assets and liabilities. Hedging strategies are decided and monitored by the Risk Management Committee of the Board convened on a regular basis.

**Competition Risk :** We feel that the major business risks are the stiff competition due to low priced products from countries like China and also from domestic manufacturers for certain products. However the company is trying to expand its range of products to cater to different segment of customers and market in order to absorb fall in sales and margins.

**Credit Risk :** We have been able to reduce the irrecoverable amounts to a very negligible level, notwithstanding the inevitability of having some debts which are not recoverable. Due to strict monitoring and disciplined distribution channels, we do not foresee any material risk on this count.

**Dead Stocks/Slow moving items/Rejections Risk :** Sometimes the quality of finished product becomes bad or is rejected by a customer. The Company has taken every step in the raw material procurement stage, production stage, packing stage, testing stage and delivery stage to minimize the risk of rejection. If due to some unforeseen reasons the goods are rejected or are not as per our in-house standards, the company has made a system to reprocess all such failed material. Minimum cost is incurred to make them into acceptable standards again. Further the products that have irregular demand or are sold in lesser quantities round the year are manufactured as per customers order only. Thus the company is successful in handling dead stocks, slow moving items and rejections.

**Fire, Theft & Explosion Risk :** The Company has been quite conscious of the inherent risk in our business. A lot of measures to safeguard the fixed assets and stocks in the factory are taken. The management has been regularly updating the risk profile and take necessary corrective steps like educating workers, insisting workers to wear gum boots, gloves, eye goggles, helmets etc, installing firefighting equipments, putting sign boards, banning smoking in the premises, keeping hazardous materials in a safe and protected place etc. Apart from these measures, the company has also underwritten the various risks like fire, theft & burglary, earthquake, floods, riots, public liability, sale/purchase in transit etc with ICICI Lombard General Insurance Co Ltd.

#### INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The Company has instituted adequate internal controls, managed by professionals. The control mechanism duly supported by efficient integrated software ensures a proper documentation, accounting, reporting and safeguarding of assets. The Company has also well-defined and established system of internal audit, which is periodically reviewed by the audit committee and steps taken to strengthen the control measures. The management and audit committee of the Board periodically reviews the observations and findings of the statutory auditors and ensures adherence to the well laid down policies, guidelines and procedures forming part of the internal control system.

#### FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

A satisfactory business performance with average volume growth in key products and business units, combined with productivity improvement, cost management and working capital management have contributed to the good operating results for the year. Also sharp focus on cost and margins has resulted in enhanced operational efficiency.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matters to be communicated in our report.

**a) Revenue Recognition :**

The Company has adopted "Ind-AS 115 - Revenue from Contracts with Customers" which is the revenue accounting standard. The application and transition to this accounting standard is complex and is an area of focus in the audit.

- Revenue for the Company consists primarily of sale of manufactured goods recognized as per the accounting policy described in Note 2(m) to the accompanying financial statements.

- The Company recognises revenue from sale of goods when it satisfies its performance obligation, in accordance with the principles of Ind-AS 115, Revenue from Contracts with Customers, adopted by the Company from the current year, by transferring the control of goods to its customers through delivery evidenced by acknowledgement of receipt of goods by such customers.
- Considering the large volume of revenue transactions near period end there may be a risk of revenue recognition occurring before the satisfaction of the performance obligations by the company in accordance with the applicable Incoterms.
- Considering the above factors, revenue recognition was identified as a key audit matter for the current year audit.

**Auditors Response:****Principal Audit Procedure**

Our audit work included, but was not limited to, the following procedures:

- Obtained an understanding of the revenue and receivable business process, and assessed the appropriateness of the accounting policy adopted by the company for revenue recognition.
- Evaluated design and implementation of the key controls around revenue recognition including controls around contract approvals, invoice verification, transporter confirmations and customer acknowledgements.
- Tested operating effectiveness of the above identified key controls over revenue recognition near period end.
- For samples selected from revenue recorded during specific period, before and after year end:
  - o Verified the customer contracts for delivery terms.
  - o Verified the customer acknowledgements to evidence proof of delivery for domestic sales at or near period end and
  - o tracked shipments through bill of lading for export sales
- Tested the appropriateness of the disclosures made in the financial statements for revenue recorded during the year.

**Key Observations**

- Based on our audit work, we did not identify any evidence of material misstatement in the revenue recognised in the year ended on 31 March 2022.

**b) Litigation, claims and related provisions:**

The company is in the pharmaceutical industry which is heavily regulated, resulting in increased exposure to litigation risk. These provisions are based on judgement and incorporated accounting estimates by management in determining the likelihood and magnitude of an unfavorable outcome on the claims.

**Auditors response:**

Evaluating the design and testing the operating effectiveness of controls in respect of the recognition and measurement of provisions towards litigation and claims in compliance with Ind-AS 37 Provisions, Contingent Liabilities and Contingent Assets.

Corroborating management's assessment by

- making enquiries with the in-house/outsourced legal counsel of the company;
- verifying correspondence, orders and appeals in respect of open litigation;
- Obtaining confirmations from external legal counsels where relevant and/ or evaluating legal opinions obtained by the management.

**c) Property, Plant and Equipments:**

Peculiarity and technical complexities of Property, Plant and Equipments, Capital Work-In-Progress used in the operations and different IT systems used for maintaining Fixed Asset Register (FAR) requires more attention to ensure reasonably accurateness and completeness of financial reporting in respect of Property, Plant and Equipments and Capital W.I.P.

Further, due to technical complexities management is required to assess and make estimates/judgments about capitalization, estimated useful life, impairment etc. which has material impact on Balance Sheet and operating results.

**Auditors Response :**

Our audit approach consisted of testing of the design and operating effectiveness of the internal controls and substantive testing as follows:

- We assessed the Company's process regarding maintenance of records, Valuation and accounting of transactions relating to Property, Plant and Equipment and Capital W.I.P. as per the Ind-AS 16
- We have carried out substantive audit procedures at financial and assertion level to verify the capitalization of asset as Property, Plant and Equipment and Capital W.I.P.
- We have verified the maintenance of records and accounting of transactions regarding capital work in progress by carrying out substantive audit procedures at financial and assertion level.
- We have reviewed management judgement pertaining to estimation of useful life and depreciation of the Property, Plant and Equipment in accordance with Schedule II of Companies Act, 2013.
- We have verified the capitalization of borrowing cost incurred on qualifying asset in accordance with the Ind-AS 23 Borrowing Cost.

**d) Inventory**

Inventories constitutes material component of financial statement. Correctness, completeness and valuation are critical for reflecting true and fair financial results of operations.

**Auditors Response:**

Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:

- We assessed the Company's process regarding Maintenance of records, Valuation and accounting of transactions relating to Inventory as per the Ind-AS 2.

- We have evaluated the design of Internal Controls relating to recording and valuation of Inventory.
- We have carried out substantive audit procedures at financial and assertion level to verify the allocation of overheads to Inventory.
- We have verified the process documents in respect of the physical verification of Inventory carried out by the management to verify the balance of the inventory at the year end.
- We have verified the compliance with the standard norms relating to production as framed and timely updated by the management.

**Information Other than the Financial Statements and Auditors' Report Thereon**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises of Management Reports such as Board's Report, Management Discussion and Analysis, Corporate Governance Report and Business Responsibility Report, but does not include the Financial Statements and our Auditors' Report thereon which we obtained prior to the date of this Auditor's Report, and the remaining section of the Company's Annual Report, which are expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this Auditor's Report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other sections of Annual Report (other than those mentioned above), if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

**Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the 'Act') with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance (including Other Comprehensive Income), Cash Flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind-AS) specified under Section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility for the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

**Annexure B to the Independent Auditors' Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")****Opinion**

We have audited the internal financial controls with reference to financial statements of Samrat Pharmachem Limited ("the Company") as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March, 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

**Management's Responsibility for Internal Financial Controls**

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

### **Meaning of Internal Financial Controls with reference to Financial Statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**NOTE 1 GENERAL INFORMATION**

Samrat Pharmachem Limited is a public limited company domiciled in India incorporated under the provisions of the Companies Act ( 'the Company'). The Company's principal activities are manufacturing and selling chemicals. The shares of the Company are listed on stock exchanges in India.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES & OTHER EXPLANATORY INFORMATION****a Basis of Preparation**

The financial statements of the Company have been prepared and presented in accordance with Indian Accounting Standards (Ind AS) as per Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standard) Amendment Rules, 2016 as notified under section 133 of Companies Act, 2016 (the "Act") and other relevant provisions of the Act.

The standalone financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis except for certain financial assets and financial liabilities that have been measured at fair value. These standalone financial statements are presented in Indian Rupees which is also the Company's functional currency. Figures for the previous years have been regrouped/rearranged wherever considered necessary to conform to the figures presented in the current year.

**b Use of Estimates**

The preparation of financial statements requires management to make judgments, estimates and assumptions of some of the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities on the date of the financial statements and the amount of revenue and expenses during the period reported. However any revision to accounting estimates or difference between the actual results and estimates are recognized prospectively in the period in which the result are known/ materialized.

**c Property, Plant and Equipment and Intangible Assets****Land**

Land (other than investment property) held for use in production or administration is stated at cost. As no finite useful life for land can be determined, related carrying amounts are not depreciated.

**Buildings and other equipment**

Buildings and other equipment (comprising plant and machinery, furniture and fittings, electrical equipment, office equipment, computers and vehicles) are initially recognized at acquisition cost, including any costs directly attributable to bringing the assets to the location and condition necessary for them to be capable of operating in the manner intended by the management. Buildings and other equipment are subsequently measured at cost less accumulated depreciation and any impairment losses. Cost of property, plant and equipment not ready for the intended use before reporting date is disclosed as capital work in progress. Subsequent expenditure incurred on an item of property, plant and equipment is added to the book value of that asset only if this increases the future benefits from the existing asset beyond its previously assessed standard of performance. Gains or losses arising on the disposal of property, plant and equipment are determined as the difference between the disposal proceeds and the carrying amount of the assets and are recognized in the statement of profit and loss within other income or other expenses. The components of assets are capitalized only if the life of the components vary significantly and whose cost is significant in relation to the cost of respective asset. The life of components in assets are determined based on technical assessment and past history of replacement of such components in the assets. Tangible assets are carried at the cost of acquisition or construction less accumulated depreciation and accumulated impairment, if any. The cost of tangible assets includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets. Assets which are retired from active use and are held for disposal are stated at the lower of their net book value or net realizable value. Cost of tangible assets, not ready for the intended use as at balance sheet date, are disclosed as "capital work in progress".

**Intangible assets**

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use. Expenditure on Research and development eligible for capitalisation are carried as Intangible assets under development where such assets are not yet ready for their intended use.

**d Depreciation and amortization**

Depreciation on Property, Plant & Equipment is provided on straight line method and in the manner prescribed in Schedule II to the Companies Act, 2013, over its useful life specified in the Act, or based on the useful life of the assets as estimated by Management based on technical evaluation and advice. The residual value is 5% of the acquisition cost which is considered to be the amount recoverable at the end of the asset's useful life. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end.

**e Investments**

Current investments are carried at lower of cost or quoted / fair value, computed category wise. Long term investments are stated at cost. Provision for diminution in value of long term investments is made only if such decline is other than temporary in the opinion of the management.

**f Borrowing costs**

Borrowing cost that is attributable to the acquisition or construction of qualifying asset are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

**g Provision for Current Tax & Deferred Tax**

Provision for current tax is made after taking into considerations benefits admissible under the provisions of The Income Tax Act, 1961. Deferred Tax resulting from the timing differences between the taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is reasonable/virtual certainty that the asset will be realized in future.

**h Provision for Contingent Liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

**i Earnings per share**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year adjusted for the effects of all dilutive potential equity shares.

**j Foreign Currency Transactions**

i) Transactions denominated in foreign currencies are recorded at exchange rate prevailing on the date of transaction for Sales and Custom rates for Purchases as on date of the transaction.

ii) Monetary items denominated in foreign currencies at the year end are restated at year end rates

iii) Non-monetary foreign currency items are carried at cost.

iv) Any income or expense on account of exchange difference either on settlement or on translation is recognized as revenue except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such asset.

**k Inventories**

Inventories of finished goods, raw materials, and work in progress are carried at lower of cost or net realisable value. The cost of inventories of items that are not ordinarily interchangeable are assigned by specific identification of their individual costs. Other inventory items are recorded using first-in-first-out cost formula. The inventories include the relevant duties, taxes, and cess other than those subsequently recoverable by the enterprise from the taxing authorities that were incurred to bring the inventory to their present location and conditions.

**l Cash Flow Statement**

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of the past or future cash receipts or payments. The cash flows from regular revenue generating, investing & financing activities of the company are segregated.

**m Revenue Recognition**

Sales turnover for the year includes sales value of goods and other recoveries such as Octroi, Transportation Charges etc, but excludes Excise duty and GST. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Export incentives are recognized when it is probable to receive such benefits. Revenue from sale of scrap and licences are recognized as and when they are sold. Interest income from financial assets is recognized on accrual basis.

**n Retirement Benefits**

The Company's contribution to Provident Fund and ESIC is accounted on accrual basis and charged to Profit and Loss Account. The Company accounts for liability for Gratuity of employees on the basis of Actuarial Valuation/Management Estimates. Gratuity is payable to Employees after Retirement or Resignation of Employees; whereas there is no defined policy enabling the employees to avail encashment of leave.

**o Impairment of Assets**

An asset is treated as impaired when the carrying cost of the Asset exceeds its recoverable value. An impairment loss is charged to the Profit & Loss account in the year in which an asset is identified as impaired. The Impairment loss recognized in prior accounting periods is increased / reversed where there has been change in the estimate of recoverable amount. The recoverable value is the higher of the net selling price and value in use.

**p Leases**

Assets leased by the Company in its capacity as lessee, where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such a lease is capitalized at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability is recognized for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each year. Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognized as operating leases. Lease rentals under operating leases are recognized in the statement of profit and loss on a straight-line basis.

**q Cash and Cash Equivalents**

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within 3 months from the date of acquisition that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

**r Financial Assets and Financial Liabilities**

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit and loss which are measured initially at fair value.

Trade receivables are recognized at their transaction price as the same do not contain significant financing component.

For the purpose of subsequent measurement financial assets and financial liabilities are classified and measured based on the entity's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset and the financial liability.

# IODINE

## History of Iodine

In early 1800's while manufacturing saltpetre (potassium nitrate,  $\text{KNO}_3$ ), Bernard Courtois, a chemist, added too much sulfuric acid to seaweed ash, causing the iodine to evaporate and thus creating iodine crystals.

It was in 1811, Bernard Courtois, with the help of three friends Charles-Bernard Desormes, Nicolas Clément and Joseph Louis Gay-Lussac, verified Iodine to be a new element and published an article in a French journal (Annales de Chimie) in December, 1813.

In 1820, the pharmacological properties of iodine were recognized, with Courtois starting commercial production of iodine. Although Courtois passed away in 1838 (1777 – 1838) his contribution to the medical field was acknowledged and he received a Montyon Prize from the Dijon Academy in 1831.

Approximately **220 years** have passed since iodine was recognized as an element. And now, the third century of iodine chemistry has begun.

## About Iodine & Iodine Industry in 2021

The earth's mass can be accounted for 99.6% by only 32 chemical elements, and the remaining 0.4% is apportioned among 64 elements in trace quantities. Iodine is 61<sup>st</sup> on this list, making it one of the least abundant non-metallic elements in earth's composition.

The dominant producers of Iodine today are Chile and Japan. They account to approximately 90% of the world's iodine reserves & production. Iodine is found in Northern part of Atacama Desert & west of the Andes Mountains in Chile, Minami Kanto gas field & Southern Kanto gas field, which is mostly in Chiba Prefecture just east of Tokyo, Japan.

Iodine is also recycled, approximately around 6,000 Metric Tons / Annually, mostly by companies in India, Europe & America. This amount corresponds to approximately 18% of the total world iodine demand and is additional to the iodine recovered and recycled internally by many industrial users.

It is estimated that the existing global reserves of iodine will support iodine production for at least the next 200 years. Their lifespan is likely to be further extended by developments in production efficiency and iodine recycling from industrial uses.

Region	Origin	Estimated Reserves (In MT's)	Production in 2021 (in MT's)
Japan	Underground Brines	50,00,000	9,000
Chile	Caliche Ore	18,00,000	22,000
Others	Seaweed / Underground Brines	7,14,000	833
<b>Total</b>		<b>75,14,000</b>	<b>31,833</b>

## Uses of Iodine

Iodine is deeply rooted in our everyday life. Products containing iodine atoms or molecules demonstrate properties such as "Adding nutrition, blocks X-rays, strong anti-bacterial effect, act as a stabiliser at high temperatures, shows high reactivity, forms various compounds with most other elements, radioactive isotopes of iodine can also be used to treat thyroid cancer. It is also used as a catalyst in the industrial production of acetic acid and some polymers."
